

Saddlebag Stroller Storage

Attaching your Saddlebag Stroller Accessory is Easy! Place the velcro loops securely over each stroller bar, until the accessory is centered and taut. The best point of attachment is where two stroller bars intersect. The pockets should face outwards.

The Saddlebag Stroller Accessory is a great addition to your stroller! It provides the extra storage and organization every parent needs. Patent Pending.

- Storage pockets to organize blankets, jackets, keys, cell phones, pacifiers, toys
- Velcro pocket to keep contents secure
- Easily attaches to most strollers

Materials & Cleaning: Made of nylon material. Wipes clean easily with damp cloth. Do not machine wash or dry.

Warranty Information: Exchanges within 90 days for manufacturing defects only. Shipping and handling not included. Contact the retailer whom you purchased product from.

Warning: To avoid burns, do not put cups or bottles with hot liquids in the Saddlebag Stroller Accessory. Be careful when pushing the stroller on uneven surfaces, liquid may spill out of the containers. Use of closed containers are recommended when jogging with the stroller. Do not overload, as too much weight may cause the stroller to tip backwards. Be careful when removing the child from the stroller as the stroller may tip backwards if it is overloaded. Do not load more than 3 lbs of evenly distributed cargo. Remove drinks before collapsing stroller. The Saddlebag Stroller Accessory is not a toy. Do not leave child unattended in the stroller.
